

### **Instructions for Applying for a Geologist-in-Training Registration**

All applicants applying for a Geologist-In-Training Registration must have graduated from an accredited geologic curriculum of four or more years, with a minimum of 30 semester hours or 45 quarter hours in geology or geophysics, approved by the board. Applicants must pass the Fundamentals portion of the National Association of State Boards of Geology (ASBOG) examination.

(1) Submit a completed application (sign and have notarized) and the affidavit of eligibility, along with a money order, personal, or certified check in the amount of \$75.00 for a Geologist- In-Training Registration.

Examination: The Board requires applicants to successfully complete the Fundamentals portion of the ASBOG examination. The examination costs \$150.00. If you have not already taken and passed the Fundamentals exam, you will need to submit a total of \$150.00 to ASBOG. **(Refer to Examination Instructions)**

(2) Professional References: Three references are required and must be submitted by geologists or engineers. References must be from persons who have known the applicant a minimum of one year and can attest to the applicant's character and reputation.

(3) Transcripts must be in an original sealed envelope directly from the school or college.
